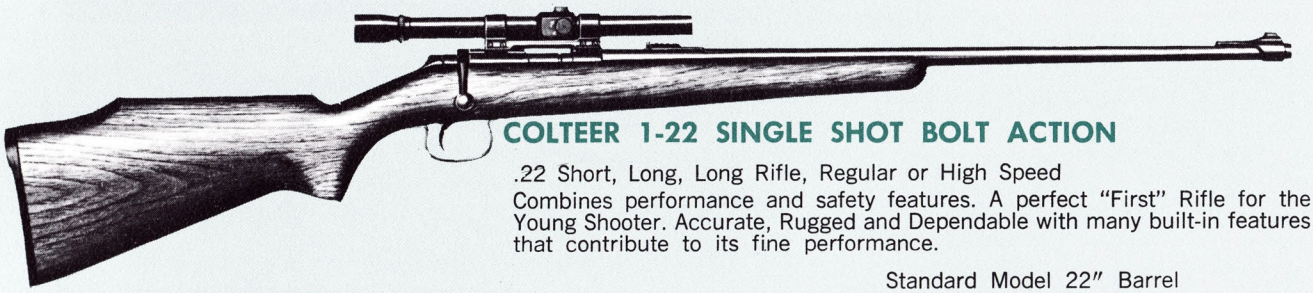
A tiny 6 shot powerhouse. An excellent personal protection weapon especially for women.



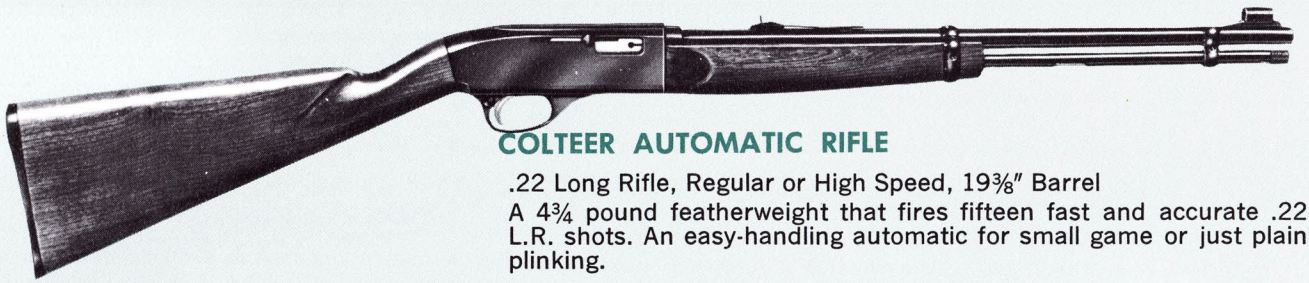
COLTEER 1-22 SINGLE SHOT BOLT ACTION

.22 Short, Long, Long Rifle, Regular or High Speed

Combines performance and safety features. A perfect "First" Rifle for the Young Shooter. Accurate, Rugged and Dependable with many built-in features that contribute to its fine performance.

Standard Model 22″ Barrel

Boy's Model 20″ Barrel



COLTEER AUTOMATIC RIFLE

.22 Long Rifle, Regular or High Speed, 19⅜″ Barrel

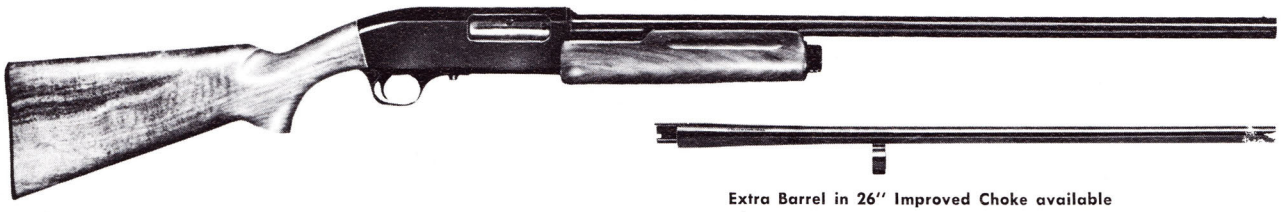
A 4¾ pound featherweight that fires fifteen fast and accurate .22 L.R. shots. An easy-handling automatic for small game or just plain plinking.

STAGECOACH .22 AUTOLOADER

.22 Long Rifle, Regular or High Speed, 16½″ Barrel

Every inch of the Stagecoach Autoloader reflects Colt's heritage of fine craftsmanship . . . and the frontier spirit of the Golden West. Measuring just 33¾ inches overall, Colt's Stagecoach .22 weighs less than 4¾ pounds. Western style open rear sight is adjustable for elevation and windage. Positive cross bolt safety shows red when "off." Stock is American Black Walnut in the true Western straight line style.

The stagecoach's saddle ring and leather thong are replicas of features seen on Colt's famous "Lightning" pump carbine of the 1880's. And its handsomely engraved receiver derives from Colt's Model 1849 Pocket Pistols of the same period.

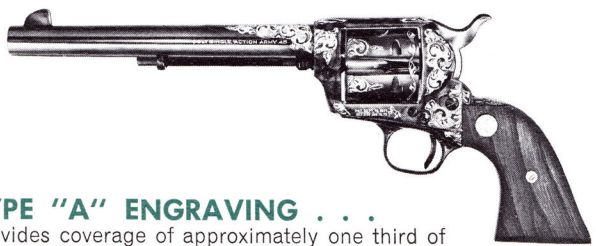


Extra Barrel in 26" Improved Choke available

COLTSMAN STANDARD PUMP SHOTGUN

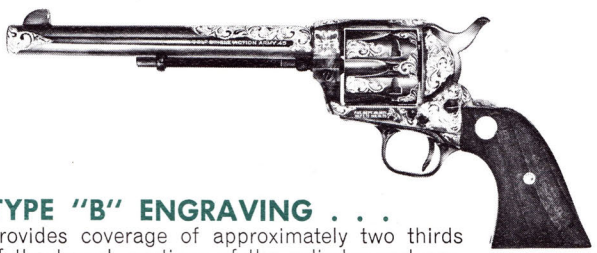
12 Gauge 26" Barrel, Imp.
28" Barrel, Mod. or Full Choke
16 Gauge 28" Barrel, Mod. or Full Choke
20 Gauge 26" Barrel, Imp. Choke
28" Barrel, Mod, or Full Choke

American Walnut Stock. Finger tip groove on forearm slide. Brass bead front sight. Magnum loads at no extra cost in 12 gauge or 20 gauge.



TYPE "A" ENGRAVING . . .

Provides coverage of approximately one third of the barrel, portions of the cylinder, frame, backstrap and trigger guard.



TYPE "B" ENGRAVING . . .

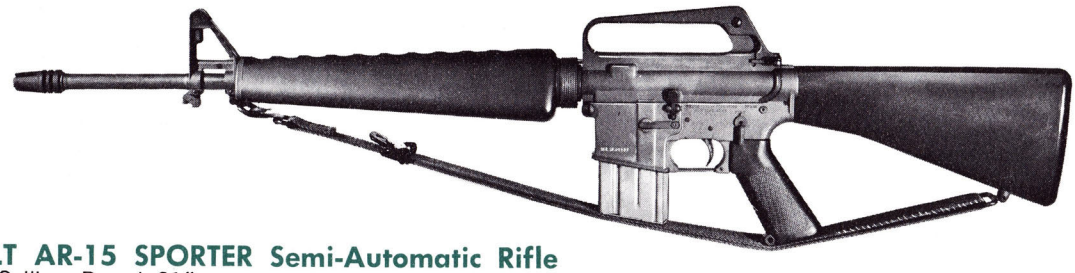
Provides coverage of approximately two thirds of the barrel, portions of the cylinder and partial coverage of the frame, backstrap and trigger guard.

TYPE "C" ENGRAVING . . .

The most complete coverage of the three types of Colt engraving: Frame, cylinder, and backstrap, and most of the trigger guard and barrel, are profusely engraved.

CUSTOM ENGRAVING . . .

Custom engraving is often desired when a Colt handgun is to be used for presentation purposes or as a special match prize. Any special design can be furnished, such as State or National seals, scenes of hunting or other occasions, gold or silver inlay or plating, enameled initials, emblems, etc. Submit special specifications to Colt's Arm Sales Department. A request for an estimate will be given prompt attention.



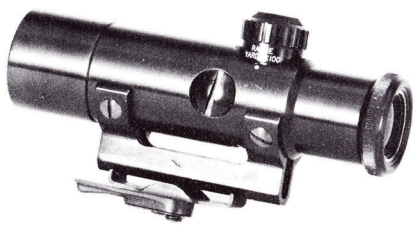
COLT AR-15 SPORTER Semi-Automatic Rifle

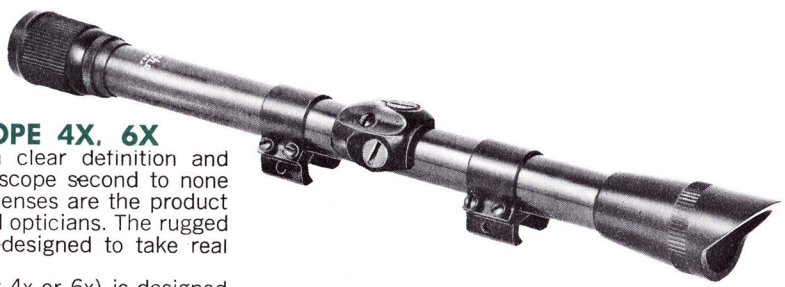
.223 Caliber Barrel 21″

Lightweight. Extremely accurate. Easy to handle. Straight line construction. Rapid semi-automatic fire is more controllable than with rifles of commercial design. Simple to maintain.

THE COLT AR-15 SPORTER SCOPE 3X

Hard Black Anodized Surfaces . . . Matte Finish, resists rust, Scratchproof . . . Eleven fully coated lenses for maximum light transmission . . . Nitrogen filled . . . Special "V" type mounts permit rapid manual removal and rigid manual remounting . . . no tools required . . . Turret range knob provides quick adjustment from 200 to 500 yards . . . Self-centering cross-hair reticle . . . Multi-threaded eyepiece for rapid focusing . . . No loss of use of iron sights with scope attached.





COLTSMAN JUNIOR TELESCOPE 4X, 6X

Combines excellent field of view with clear definition and absence of aberrations to bring you a scope second to none in its price class. The carefully ground lenses are the product of painstaking labor on the part of skilled opticians. The rugged scope tube and mounting clamps are designed to take real use on the firing line.

The Coltmaster Junior Telescope (either 4x or 6x) is designed for use on the Colteer 1-22 or any other .22 rifle with a dovetailed cut on top of the receiver.

All prices subject to change without notice.
